

# 06 ACES HIGH

HOW MANY CAN  
TAKE PART

5+

AGE RANGE

SECONDARY

## WHAT'S NEEDED

- Something to form a net
- Cones/markers
- Soft balls or tennis balls
- Something to hit with e.g. racquets, bats, hands, feet

## HOW TO SET UP

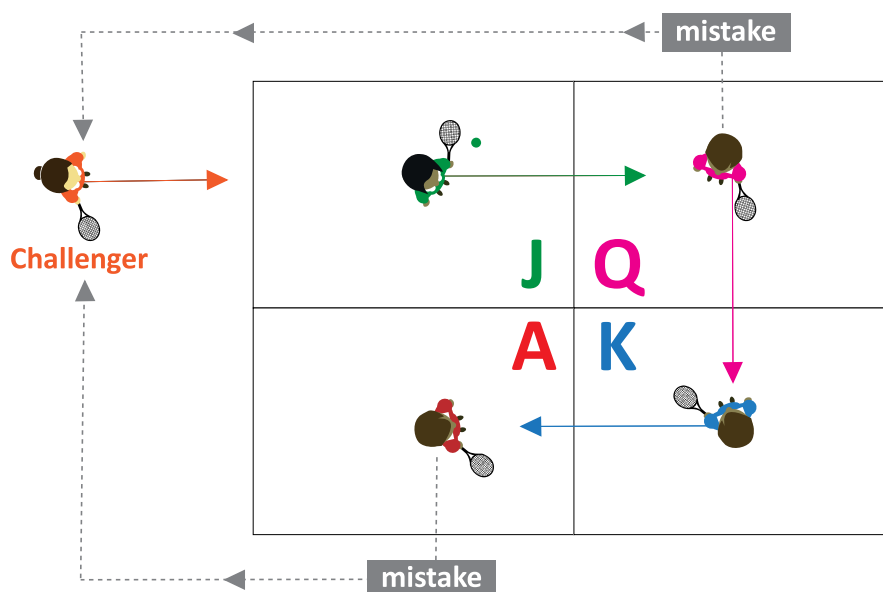

Set up a 4 square grid, each square occupied by a player labelled as Jack, Queen, King and Ace.  
Have a challenger waiting on the side.

## HOW TO PLAY

Play a rally using the full grid (can hit the ball to any player).  
When a mistake is made (e.g. missed shot or hit out), players get promoted e.g. Jack to Queen, Queen to King, challenger replaces the person who made the mistake on the grid, starting in the Jack square.  
Aim is to be Ace at the end of the game.

## ADAPTATIONS

- Limit to only volleys
- Play only Ace, King, Queen and must always hit into empty square and move around

Count how many  
shots you make  
while in each place

Run to touch  
the base line  
between each  
shot

Can you play  
it to yourself  
once first to  
get control?
